

THE WATER SAFETY ADVENTURES OF

ALBERT and EINSTEIN

PRESENTED BY The California Department of Water Resources & The State Water Project Contractors

"Along the State Water Project"

Meet **ALBERT**TM and **EINSTEIN**

DWR's water safety mascots.
They're here to take you along
with them on a day of sun and safe water fun along
the California State Water Project's reservoirs and
California Aqueduct.

Watch out for Einstein, a heron who has a lot to
learn from his buddy Albert, a fish who knows his
water safety tips.

Have fun as you follow their adventures but
remember that Albert and Einstein want you to play
safe - especially around water.
